Dave,

I enjoyed working you in the 10-X contest the other day. Conditions weren't too bad out here. I was going through my log and found that I had not confirmed Wisconsin for 10mtr. SSB W.A.S. So I hoped that you might see fit to send along a QSL card. I notice that your call is the U of W club sta.

I have been a ham (on and off) since 1956 but am a newcomer on 10mtrs.

Hope to C U Agn Soon 73 Ken
